

Seasonal Warranty

Start Dates

Warranty begins when sold, unless delivered “out of season”, as listed in the Delivery Date column on this table. If the machine is placed into service before the seasonal start date referenced in the table, dealers are required to enter the in service date as the expected first use date.

Platform	Seasonal Warranty Start Variation	
	Out of Season Delivery Date	Seasonal Start: Date of first use or...
Crop Harvesting	October 20 - May 31	June 1
Hay & Forage	October 20 - April 30	May 1
Crop Care	October 20 - February 29	March 1
Sugar Harvesting	May 1 - September 30	October 1
Tractors	Any Date	Delivery Date
ISG	Any Date	Delivery Date
Turf & Utility	Any Date	Delivery Date

Aftermarket Parts & Service Promotions: 90-day parts warranty begins the day the machine is placed into service following use-season.
